Dear Parents or Guardians,

We are excited about welcoming your student back to Berkeley Technology Academy for the 2016/17 school year!

If your student will not be returning to BTA please contact BUSD admissions office at 510-644-6504.

This year BTA welcomes our new Principal, Mr. Ardarius McDonald. BTA staff is committed to making your child's educational experience a lifelong impression. We strive to develop strong healthy relationships with our students and families by keeping them encouraged, engaged and productive. Our goal is to produce students that have the mental, social and physical skill sets to compel and succeed in life after high school.

In an effort to welcome you and your child to Berkeley Tech we will have a Student Orientation on Monday, August 29, 2016 at 1p.m in the Multi-Purpose room. The student registration will provide you with the opportunity to address any questions or concerns you may have and also allow us to give you information about the school, staff, school policies and procedures.

At the Student Orientation we will show you how to keep you informed of your child's progress, explore career paths, preview school activities and district wide events. We will discuss preparing your child for life beyond high school and how the school and home can work best to optimize day to day successes. For additional information please visit our website at <http://bta.berkeleyschools.net>

It is our hope to establish ways of working together to secure ongoing support for you and your child throughout the school year.

The first school day for students is on Tuesday, August 30, 8:45am – 3:30pm.
