Must have all information with you to complete the FAFSA application

## WHY:

Financial aid, also known as FAFSA, helps students and their families pay for college education. Every student should apply for financial aid because it is FREE money. Everyone is able to receive financial aid assistance. Doesn't matter if our parent's income are low or high, or if you have low grades.

## HOW:

Fill out your financial aid online at: [www.fafsa.gov](http://www.fafsa.gov)

## REMEMBER:

- This process takes time!! Filling out the FAFSA and getting the required paperwork takes a while so give yourself PLENTY of time!
- Nobody is perfect! Make copies of all your paperwork, your financial aid info as well as your application for schools
- Try not to worry! The money is out there, your job is to find it.
